Frequently Asked Questions

Can we tour the farm as part of our event?

We would love to give your guests a scheduled tour of the farm and flowers, but otherwise we can't allow people to wander around our working farm. You can also add on a flower workshop and have your guests leave with a small bouquet.

Is there parking?

We have a maximum of 10 parking spots for guests and vendors, we highly encourage you to arrange for transportation.

Is there a time for music shut off and departure?

Yes! We live in a quiet rural neighbourhood so we can't accommodate loud sound systems. Any alcohol service needs to end by 10 PM, music shuts off at 10:30 PM and departure of all guests by 11 PM. Our farm is best suited for daytime or evening events.

Do you require event coordinators?

We do not require them but we suggest using them to ensure your day runs smoothly!

Do you have washrooms available?

We have one washroom available for groups of 20 people or less. For larger groups we will rent deluxe portable washrooms as part of your package.

Do we need special event insurance?

Anyone bringing a group onto our farm must purchase a one time special events license at least 2 weeks in advance that covers them and their guests with 5 million dollar liability policy, including serving alcohol. We will provide a discount code to purchase your event license in our event agreement.
